PUBLIC NOTIFICATION

Upon submittal of an application for a permit, the Director of the Planning and Development Department shall determine the names and addresses of each person and registered civic association within the test area and provide the same, together with the **form of the Legal Notice** to be published, to the applicant.

The applicant, shall then provide the following to the Department:

One self addressed stamped envelope for each person and registered civic association within the test area; and,
Proof that the Legal Notice has been published in a newspaper having a daily circulation of at least 100,000 copies

This is to certify that the information on this form is complete, true and correct and the undersigned is authorized to make this application and has personal knowledge that this application and the materials provided herein are true and correct. I also understand that this application and the materials provided herewith are government records; false entries subject the applicant to criminal prosecution under Sec 37.10 of the Texas Penal Code (fine of up to \$4,000 and/or up to one year in jail). I understand that **Restricted Permit** applicants may not store hazardous materials out of doors.
